

Privacy Policy (updated: 2025-07-04)

Champlin Technologies LLC takes your privacy seriously and will strive to uphold the highest standards to protect it and keep your data secure. Most importantly, Champlin Technologies LLC has NO access to your data, and can NOT create a financial profile of you. Your data is 100% yours and is always under your direct control! You are our respected customer, not our product.

By using the Thrivasium app, you acknowledge that you accept the practices and policies outlined in this Privacy Policy.

GDPR and CCPA Compliance

The following paragraphs outline how your data is stored and handled while using Thrivasium app. Your financial data on Thrivasium app remains under your control. If you have a question that's not answered to your satisfaction with this Privacy Policy, please contact us at thrivasium@champlintechnologiesllc.com.

Use of your data

For the Thrivasium website (<https://thrivasium.com>), no personal information is received, accessed, or stored. As such, Champlin Technologies LLC does not have access to any user personal or financial information from the Thrivasium website unless the user specifically includes it in any correspondence with Champlin Technologies LLC.

Champlin Technologies LLC does not have access to any content you enter into the Thrivasium app or to the content you import into the Thrivasium app. If you have saved an encrypted backup file or exported an un-encrypted CSV file from Thrivasium, those files are yours to manage or manually delete.

Deletion of all personal information from the Thrivasium app

All personal financial data can be deleted from the app's database on a device and the Thrivasium app can be reset to its initial purchase state from the Configuration view in Thrivasium app settings. This operation does not affect the purchase of the app.

If you saved an encrypted backup file or exported an un-encrypted CSV file from Thrivasium, those files are yours to manually delete or otherwise manage.

Communications

If Champlin Technologies LLC receives an email from you or a communication via a social network, that information will be used to best serve you through the channel which you contacted Champlin Technologies LLC.

Changes to this Privacy Policy

Champlin Technologies LLC may amend this Privacy Policy from time to time. Users are bound by any changes to the Privacy Policy when they use the Thrivasium app after such changes have been posted.

Questions or Concerns

If you have any questions or concerns regarding privacy, please send us a detailed message to thrivasium@champlintechnologiesllc.com and Champlin Technologies LLC will make every effort to resolve your concerns.
